

The Slow Death *of (what was thought to be)* A Great Nation

America was once considered to be the greatest nation on the face of the earth, but her image is declining rapidly in the eyes of the world. We are perceived as a nation of hypocrisy and greed, of selfishness and immorality.

Our nation was founded on God and His word. But God is rapidly disappearing in America. America have forbidden prayer in schools, and is in the process of removing "In God We Trust" from our currency. Even today in Boulder, AZ, about 50 high school students walked out of class to protest the daily reading of the Pledge of Allegiance because it included "one nation, under God."

America is slowly removing God from its foundation. We have become a nation drowning in immoralities, feeding on sensuality in every form. It won't be long before America will become a nation of darkness.

General Peter Pace, chairman of the Joint Chiefs of Staff, said Wednesday at a Senate hearing that he believes homosexual activity is immoral and should not be condoned by the military.

He is right! But the majority of Americans disagrees with him.

America knows that the very sexual act between two men is against nature. God calls the act of homosexuality an abomination. But America has turned a deaf ear to the truth of God, so that they may continue with their ungodly deeds, without guilt or conscience.

General Pace, who retires next week, said that the act of homosexuality "is counter to God's law." Thank God that the leader of our military had the courage to stand before a room full of compromising politicians and speak the name "God;" a name even religious leaders refuse to use anymore for fear of offence.

The general gave honor to God before the Senate. Will the next chairman of the Joint Chiefs of Staff be as courageous?

In **1 Samuel 2:30**, God said, "...*for them that honour me I will honour, and they that despise me shall be lightly esteemed.*"

Proverbs 1:24, 31 "*Because I have called, and ye refused; I have stretched out my hand, and no man regarded... Therefore shall they eat of the fruit of (your) own way, and be filled with (your) own devices.*"

There is no hope for our nation, if we turn our backs on God. **Psalm 9:17** "The *wicked shall be turned into hell, and all the nations that forget God.*"
